Welcoming General Surgeon, Jacob Holley, III, MD

Donalsonville Hospital welcomes its newest member - Dr. Jacob Holley, III, General Surgeon. Dr. Holley graduated from Seminole County High School in 2005 as valedictorian, attended Valdosta State for a Bachelor of Science (Summa cum Laude).

The Holley family has been involved in the medical care of this community going back to the 1960s when Dr. Holley's grandfather moved here to practice medicine. "I am eager to serve my community like many of my family members currently and previously have," Holley remarked.

Dr. Holley married his college sweetheart Caitlynn Holley in May of 2013. He says of his wife, "She has been a blessing and the rock that supported me throughout my medical training." When not working, Holley enjoys football in all its forms (Go Dawgs!) and the great outdoors.

"After many years away, I am excited to return to God's county here in South Georgia. I am grateful for the opportunity to return to the community that has been so wonderful to me and my family throughout the years."

Dr. Holley brings a wealth of surgical knowledge to our community and performs procedures that cover the full spectrum of inpatient and outpatient care.
